An illustrated Talk on film

Thursday 2nd May. 7.30 pm. T S Dianthus, Goldsworth Park

Our speaker, Adrian Smith will be bringing his “old fashioned” projectors and entertain us with clips from famous Hollywood musicals, bringing back the magic of a bygone era! Fred Astaire and Ginger Rodgers, Laurel and Hardy, Howard Keel, Bob Hope, Norman Wisdom, Newsreels, Esther Williams, Cyd Charisse and more.

We can listen to the whirr of the projector, laugh and jeer when the film breaks!

You might even want to singalong! Looks like a fascinating evening in store.
